THE GECKO AND THE ECHO
SONG SHEET

VERSE 1:
Up at the top of the canyon
Someone's messing with Goldy's song
Who was this out-of-tune singer?
Making the song go all wrong? (They sang…)

CHORUS:

Tra-la-la-la	*echo:*	*tra-la-la-la!*
Deedle-deedle-dee	*echo:*	*deedle-deedle-dee!*
Noodle-doodle-doodle	*echo:*	*noodle-doodle-doodle*
Stop copying me!	*echo:*	*stop copying me!*

The gecko and the echo, what a noisy mystery!

VERSE 2:
They woo-ed on the hoo, hoo-ed on the woo
What could our little Goldy do?
It didn't sound good!
(oh) Who was the singing buffoon? (they sang…)

REPEAT CHORUS

BRIDGE:
Then down flew a kindly, smart butterfly
With the answer to Goldy's big WHY
That tra-la dee noodle-dee-noodle-doooo
That buffoon's noise is an echo of you…
ECHO??

VERSE 3:
So whatever our journey, whichever our track
What we send out will come echoing back
Goldy learned a lesson, and went home to sing with more
care - and share…

LAST CHORUS:

Tra-la-la-la	*echo:*	*tra-la-la-la!*
Deedle-deedle-dee	*echo:*	*deedle-deedle-dee!*
Noodle-doodle-doodle	*echo:*	*noodle-doodle-doodle*
Sing it with me!	*echo:*	*sing it with me!*

Cos we are what we do and we get what we give
So let's give out love!   What a great way to live!
What a great way to live!
