Can you draw an animal  
smaller than Wee Unicorn?

WEE UNICORN

Can you draw an animal  
**BIGGER** than Wee Unicorn?

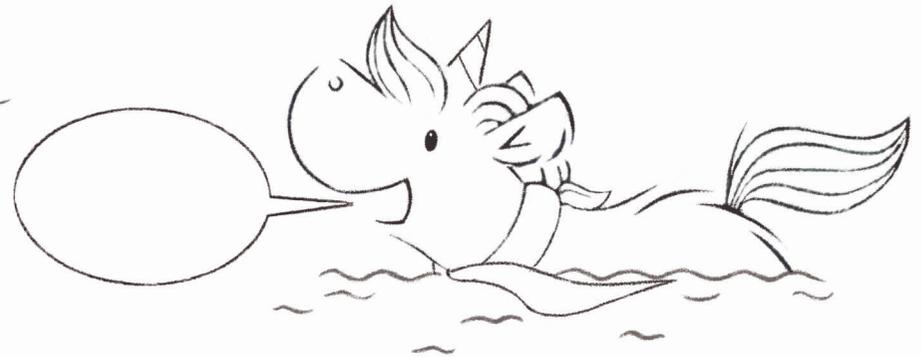

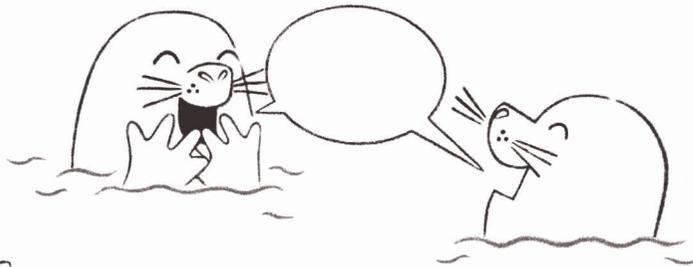

What do you think they are saying?

**CAN YOU DRAW WHAT'S BELOW THE SURFACE OF THE WATER?**

Does Ness have feet or fins?

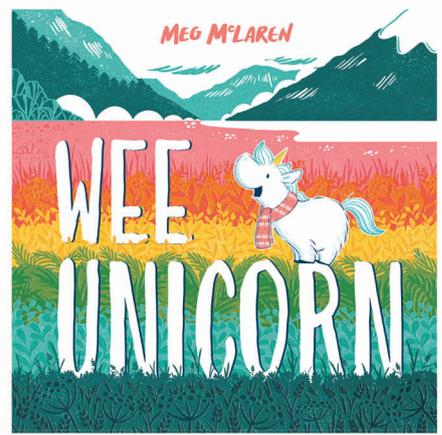

Are there more creatures beneath the water?

# HOW TO DRAW

# WEE UNICORN

1

Draw a small circle and a larger bean shape

These will become the body and the head.

2

Add an ear

Create a neck front and back

Draw a smiley snout and mouth

Imagine where the ground will be and draw short legs

Join the legs to the body

3

Draw some wavy hair to make a mane

Add a swishy tail

Draw an eye

Add a scarf to keep Wee Unicorn warm

4

Draw a horn - it's the most important part!

Why not add some furry details?

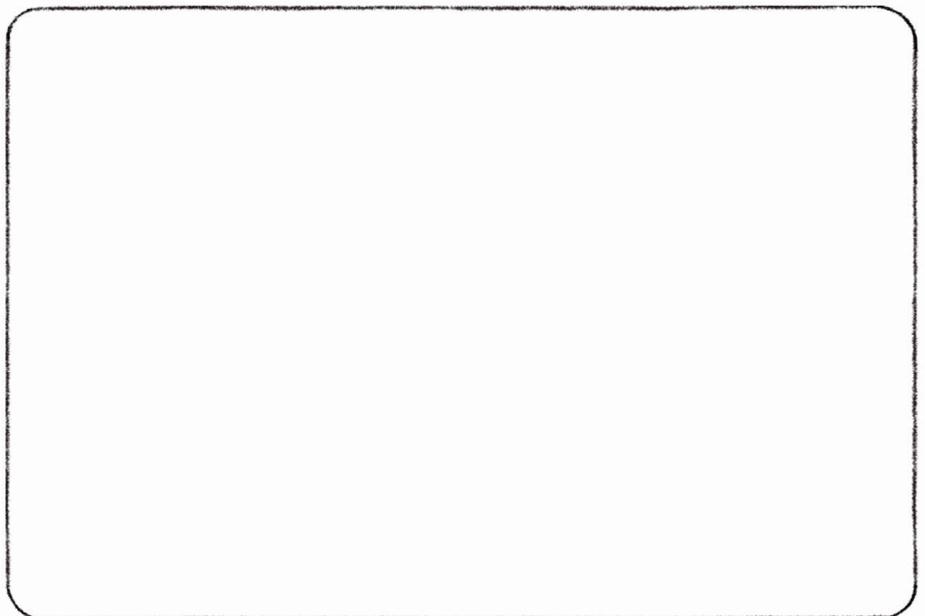

Does her scarf need a pattern?

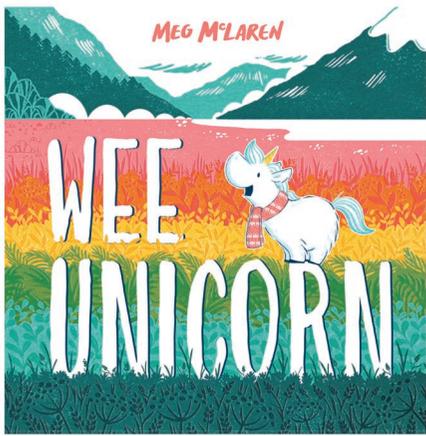

How about some grass and flowers

Draw some hooves
