## can't do EVERYTHING Club, because you Find your support by yourself.

## that you keep going Stick with it, so

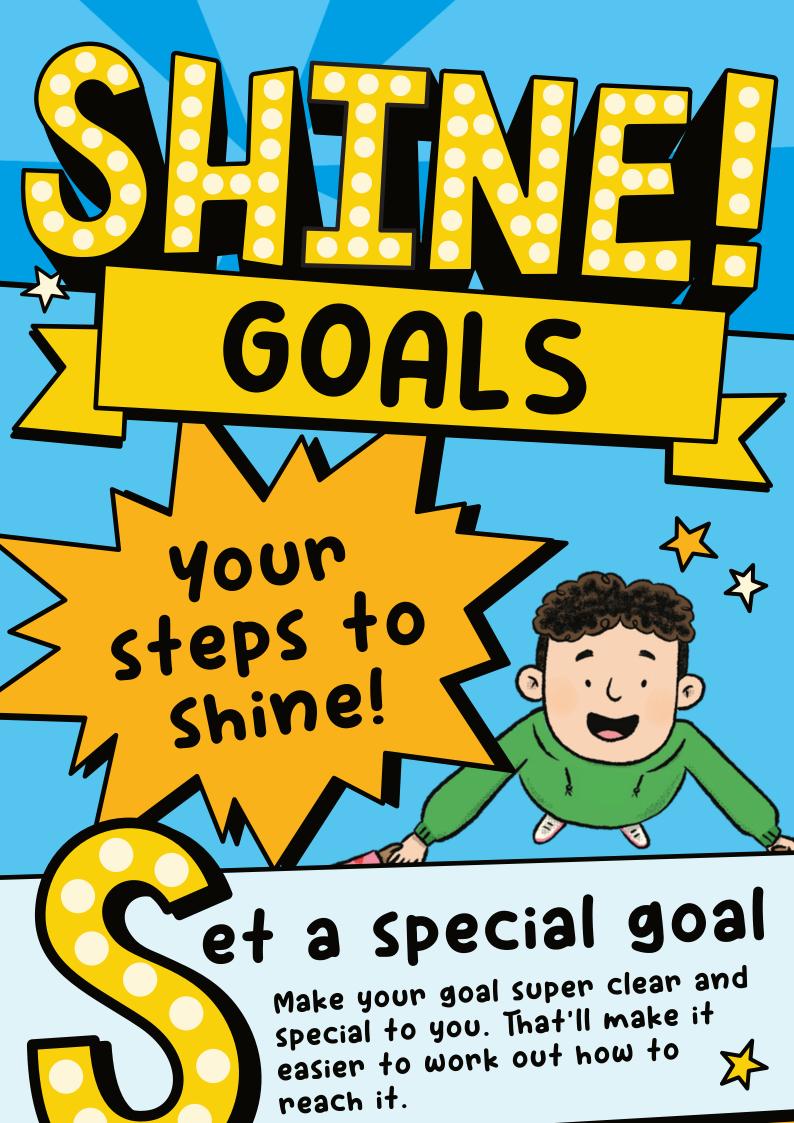

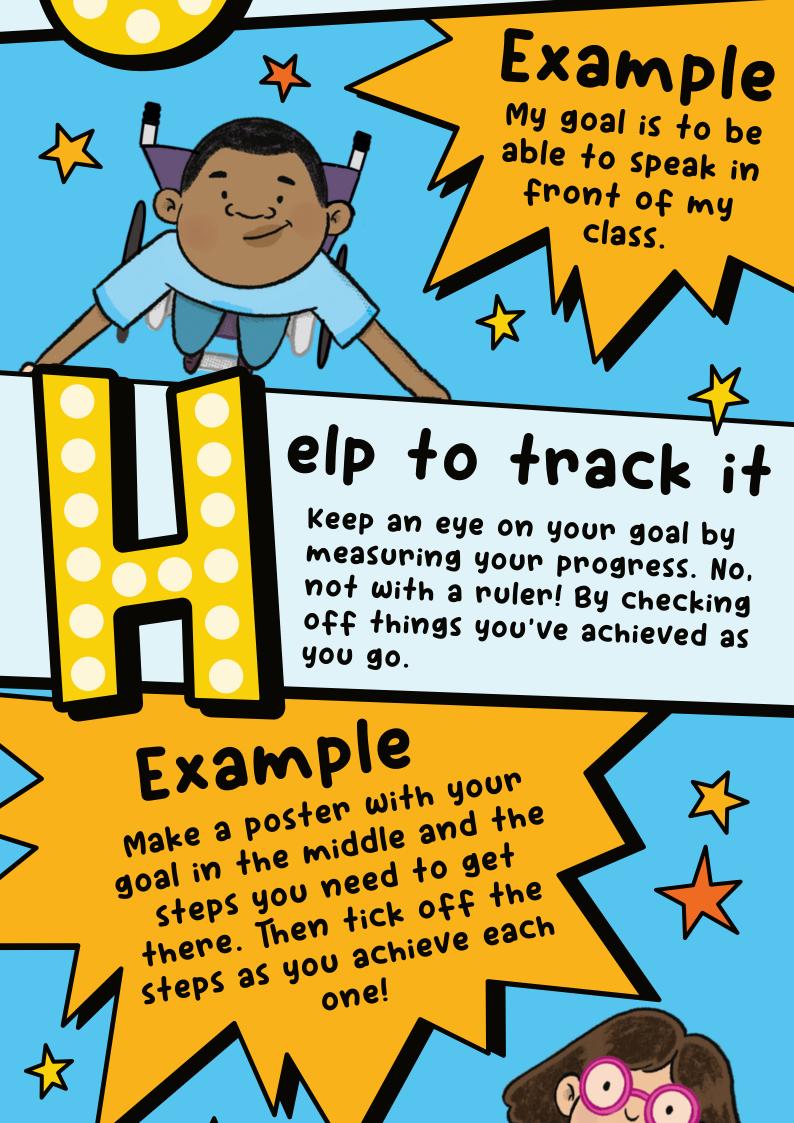

## **50 90 C**

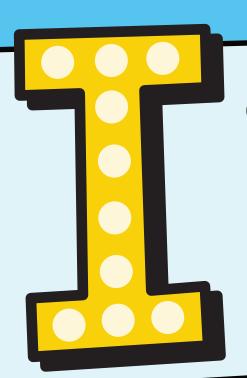

best you you can be the

C35 be.

## can achieve it

Believe in yourself – you can achieve it! Think of a goal that might be tough at first, but with a bit of work, will be really worthwhile.

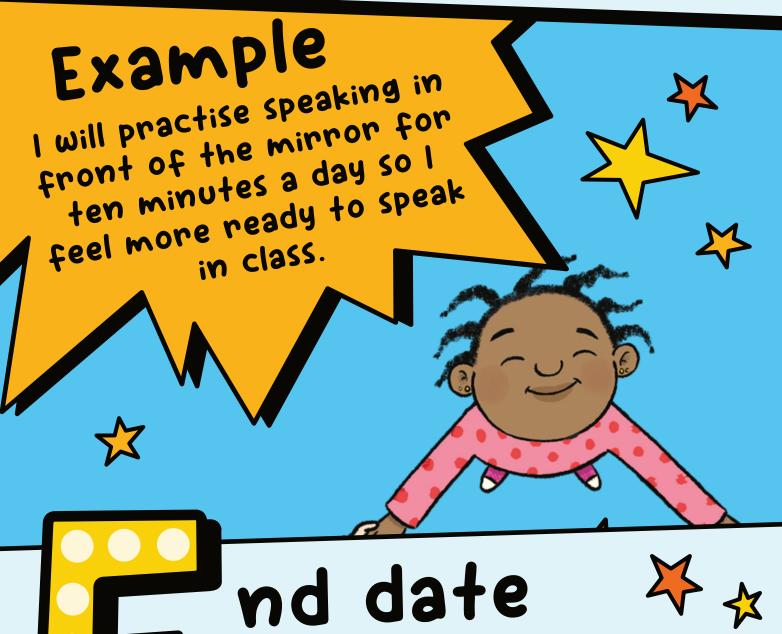

## Example

I want to volunteer to read a story I've written in front of the whole class.

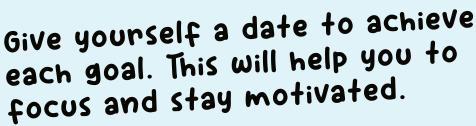

## ormal day

Will the goal fit into your normal day? Is it going to require too much of a change? Think about what you can

achieve in the routine you already have.

MIU UOIE

### Example

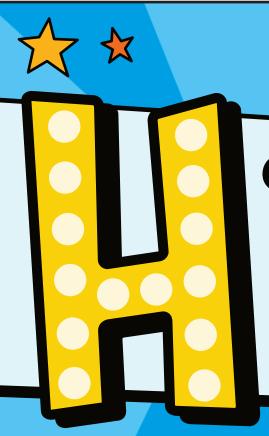

Example: By Christmas I want to be so confident in speaking up that I will audition for a main part

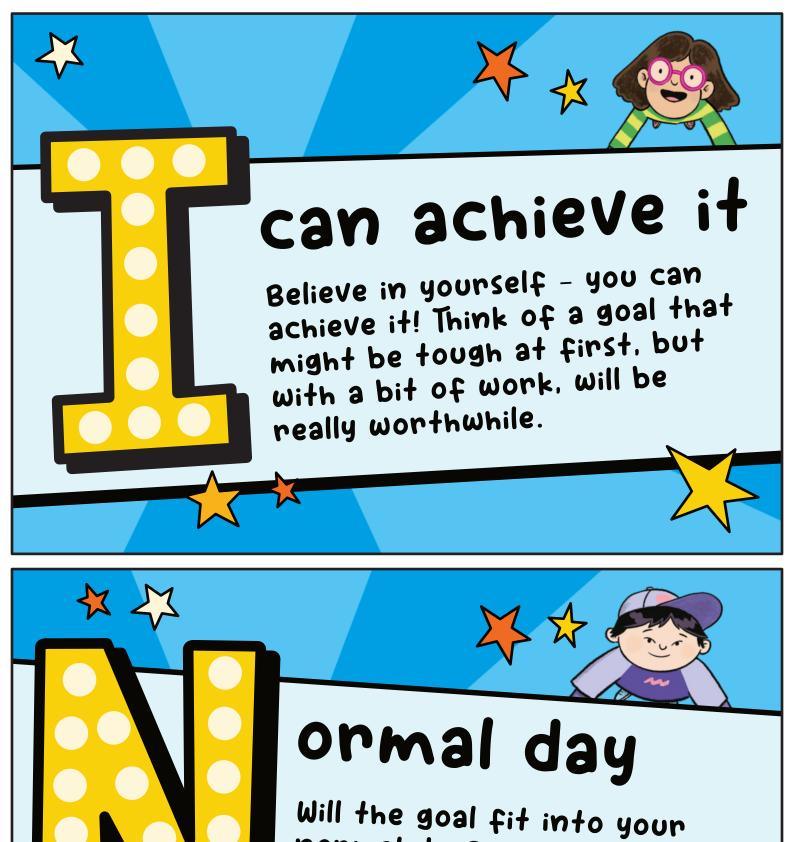

## elp to track it

keep an eye on your goal by measuring your progress. No, not with a ruler! By checking off things you've achieved as you go.
